

INSTALLATION INSTRUCTIONS

Please read these instructions thoroughly before attempting to install your new Husky Premium Molded Dash System. The few minutes you take now to read and understand the installation process can save you time later.

If you have any questions about the installation process, please call us at 1-800-344-8759. We are available to help you from 8:00 a.m. to 5:00 p.m. Central Time, Monday through Friday.

TOOLS YOU WILL NEED

- Clean, soft, lint free cloths
- Isopropyl alcohol (rubbing alcohol)

TOOLS ENCLOSED

- Sponge

CAUTION!

Isopropyl alcohol may stain some interior vehicle surfaces if spilled. Keep alcohol away from all surfaces except mounting surfaces and the adhesive.

1. CLEANING THE VEHICLE'S SURFACE

Using the alcohol and lint-free cloths, clean all the surfaces on which you will mount your components. The surfaces must be clean to insure a strong adhesive bond.

WARNING!

If mounting surfaces have been treated with a vinyl or leather protectant; clean the surfaces thoroughly to remove some of the protective film. After the cleaning, an adhesive promoter must be applied to the mounting surface. Adhesive promoter may be purchased at your local automotive parts store, or by calling us at 1-800-344-8759.

2. PRELIMINARY FITTING

Follow these preliminary fitting steps for each component.

1. Without removing the red plastic adhesive liner, place the component where you will mount it.

- NOTES:**
- A. When working with floor console, make sure that ashtray lids are open and remove moveable plastic trays.
 - B. If possible, adjust the steering wheel for better access to the dash.

2. Check the fit. Make sure that:
 - The component's edge and openings line up with the surface's edge and openings.
 - Switches and vents can move freely.

3. PERMANENT INSTALLATION

Follow these permanent installation steps for each component.

1. Remove the plastic adhesive liner from the component by lifting the tab and slowly peeling the liner away from the adhesive.
2. Soak the sponge thoroughly with the alcohol, squeezing out excess but making sure the sponge is thoroughly damp.

CAUTION!

If the sponge is not thoroughly damp, it will stick to the adhesive and ruin the component. Make sure the sponge is completely soaked with alcohol.

3. Spread the alcohol on the adhesive with the alcohol soaked sponge. Make sure you cover the entire surface, including crevices and parts that will go up and over your vehicle's existing surface. Avoid leaving pools of alcohol on the component as the excess alcohol could leak out, damaging other surfaces.

• By using the alcohol, you temporarily lessen the adhesive's stickiness. This gives you approximately **3 minutes** to fit the component before the adhesive starts to permanently stick.

4. Place the component on the surface, adjusting to correct any alignment problems.
5. Starting from an inner point on the component, apply firm pressure in a massaging or kneading motion. Work your way out to the exterior edges. This insures that the adhesive is in contact with the surface and that air bubbles are removed.

4. CLEANING THE SYSTEM

Clean and shine your new Husky Premium Molded Dash System with glass cleaner.

CONGRATULATIONS!

Your Husky Premium Molded Dash System is now completely installed!

Thank you for choosing this Husky Liners Product to enhance your vehicle. Please visit our web site, <http://www.huskyliners.com> to see our other products available for your vehicle.

WARRANTY

Husky Liners guarantees to the original purchaser of Husky Liner products that they will not break or fail under normal usage during the life of the motor vehicle on which they are installed. This warranty shall only be effective while the original purchaser owns the motor vehicle and shall not apply to Husky Liner products that have been removed from the original vehicle on which they were installed.

Husky Liner will warrant any part during the warranty period that proves defective in material and/or workmanship under normal installation, use, service or maintenance. Return alleged defective part to the place of purchase for replacement or refund. Please have a copy of your purchase receipt available when you call. The foregoing is the only express warranty made by the manufacturer and is limited to the duration of this warranty.

ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. LABOR CHARGES, INJURIES, OR ANY OTHER LOSS OR DAMAGES WHATSOEVER, INCLUDING THOSE INCURRED IN INSTALLATION, PAINTING OF HUSKY LINER PARTS, REPAIR OR REPLACEMENT, AS WELL AS INCIDENTAL DAMAGES ARE EXCLUDED.
